

# **Static Online Shopping Website — Assignment**

Author: (Repository files included in this workspace)

Date: 2025-12-19

Pages included in this assignment:

- home.html — Home page with featured items and navigation
- catalogue.html — Product catalogue with simple product cards
- cart.html — Static cart example and totals
- login.html — Login form (no JavaScript, simple form)
- signup.html — Registration form (no JavaScript, simple form)

Notes:

- Pages use a shared stylesheet: styles.css
- No JavaScript files were added; the site is intentionally basic.

How to view locally: open the HTML files (e.g., open home.html) in a browser.

Deployment (GitHub Pages): push these files and enable Pages in the repository settings or place them under a

This PDF was generated by a small script included with the assignment. Thank you.
